

Reinventing Investing

Q1 2020

For four decades, State Street Global Advisors has believed that investing responsibly enables economic prosperity and social progress. Our clients are the world's governments, institutions and financial advisors — and together we partner to solve some of the world's most pressing investment challenges.

We Start with Rigor

We take a highly disciplined and risk-aware approach built on exhaustive research, careful analysis and market-tested experience to meet client needs. Rigor is behind every decision we make.

More than 500 investment professionals worldwide

24-hour global trading desk¹ capabilities that deliver real time execution in 80+ markets

Risk management processes that employ three lines of defense, a global risk team and timely risk monitoring and response to safeguard client assets in any potential market events

Data and analytics that deliver new insights into risk management and investment strategy

We Build from Breadth

Today's investment problems demand a breadth of capabilities. We build from a universe of active and index strategies to create cost-effective solutions.

\$2.69 trillion in Equity, Fixed Income & Cash, Multi-Asset, and Alternatives⁵

A leader in Environmental, Social and Governance (ESG) investing, Defined Benefit and Defined Contribution solutions, and Outsourced CIO and Alternatives program management

We Invest as Stewards

We help our portfolio companies see that what is fair for people and sustainable for the planet can deliver long-term performance. As fiduciaries, we believe good stewardship is good investing.

Asset Stewardship group dedicated to enhancing long-term shareholder value and improving board effectiveness at portfolio companies

Commissioned Fearless Girl statue to highlight call for greater board gender diversity; called on over 1,300 companies around the globe with no women on their boards to take action. 681 of those companies have added a female director to their board and 6 more committed to doing so.²

Voted in support of nearly 83% of Two-Degree Scenario shareholder proposals since 2016. In 2019, we held over 1,900 engagements with companies in our global portfolio on ESG issues.³

We Invent the Future

We are the creators of the world's first ETFs and pioneers in index, active, and ESG investing.⁴ Using data, insights and investment skill, we are always inventing new ways to invest.

Launched our first index fund in 1978 and today track over 900 indexes from leading providers as well as many custom indexes

Unveiled our first active quantitative strategy in 1984, helping alpha seeking investors manage risk in a systematic way

Partnered with American Stock Exchange to create the first US ETF and most liquid and heavily-traded security in the world

Created the first ETF in Hong Kong to solve a complex market issue in the region

Introduced the gender diversity index and the gender diversity ETF, winner of Inside ETFs People's Choice Awards for Best New ETF in 2017

USD \$2.69 Trillion in Assets Under Management⁵
